

## Joshua C. Harrison

Partner

949-340-9736 | [josh@bhiplaw.com](mailto:josh@bhiplaw.com)

Dr. Harrison represents clients in intellectual property legal matters, with a focus on rights acquisition, licensing, pre-litigation, opinions, and litigation.

### LEGAL PRACTICE AREAS

- Provide high quality preparation and prosecution of US Patent applications; manage the acquisition of related foreign patent rights.
- Assist clients in intellectual property licensing negotiations and related analyses and transactions.
- Provide right-to-use / patent clearance investigations, and analyses & opinions regarding patent validity, infringement, and essentiality to standards.
- Represent clients in patent, trade secret, trademark, and copyright disputes, including pre-litigation counseling and representation, litigation and litigation support, alternative dispute resolution (e.g. mediation, arbitration), and reexamination requests and proceedings.

### REPRESENTATIVE LEGAL EXPERIENCE

- Partner, Barcelo & Harrison LLP – Prepared and prosecuted US patent applications, and evaluated or asserted patents in a wide variety of electrical, mechanical, and biomedical fields (e.g. magnetic recording heads, information storage devices, and related technologies such as data compression, dental implants, ophthalmic surgical devices, vehicle accessories, therapeutic aids, testing and metrology apparatuses, sports equipment, etc); successfully represented Fortune 500 and smaller clients in dozens of intellectual property disputes, including co-representation in several major patent litigation matters.
- In-house Patent Attorney, Western Digital Corp. – Represented the company in several IP licensing and co-development agreements; managed the successful preparation and prosecution of dozens of patent applications; assisted with the support and oversight of patent and trade secret litigation matters.
- Litigation Associate, Irell & Manella, LLP – Subordinate member of a leading and renowned intellectual property litigation team.
